

WATER RATES AND SERVICE CHARGES – RETAIL
Fiscal Year July 1, 2023 – June 30, 2024

Water utility bills are prepared monthly and due upon presentation. The water utility bills include the following:

1. READY-TO-SERVE RATE:

Applicable to all metered services and will be applied when water is first made available at the meter any time during the billing period (month).

Effective July 1, 2023

<u>METER SIZE</u>	<u>RATE</u>
5/8" & 3/4"	\$ 28.76
1"	\$ 45.55
1 1/2"	\$ 86.15
2"	\$134.87
3"	\$248.52

2. WATER QUANTITY RATES BY LIFT:

These amounts are multiplied by the total water used and measured in hundred cubic feet (CCF) during the billing period.

Effective July 1, 2023

\$5.187 per CCF

3. COMMON STOCK ASSESSMENTS:

\$100.00 per share of common stock owned.

Billed in three installments of \$34, \$33, and \$33 processed in April, August and December, respectively.

4. PENALTIES:

The penalty for delinquent payments of water utility bills is 5% of the unpaid balance. Water utility bills are due and payable upon presentation and become delinquent if they are not paid by the end of the month in which they are billed.

5. TRANSACTIONAL FEES:

Stock Transfer Fee	\$25.00 per transaction
Turn-On Fee – Regular Hours	\$25.00
Turn-On Fee – After Hours	\$50.00
Returned Check Fee	\$40.00 per check
